

# Landscape Irrigation Survey

For Sites with Irrigated Landscapes Larger than One Acre

## Survey Program Eligibility

Surveys are conducted by a certified landscape irrigation auditor at no cost to qualifying properties within Metropolitan's service area.

Eligible landscapes include commercial sites, home-owner association common areas and institutional sites like schools, parks and government facilities.

You might be using more water than necessary. Find out with a no-cost *landscape irrigation* survey.

## Requesting a Survey

To request a survey, please complete the online application at [bewaterwise.com](http://bewaterwise.com) under the Rebates Tab. Surveys are scheduled on a first-come, first-served basis. Please note that funding is limited and submitting an application does not guarantee a survey will be provided.

# Survey Details

Every day  
is a chance to  
save water.

The property owner, manager or authorized representative with access to irrigation controllers must be present during the survey. The certified landscape irrigation auditor will conduct a comprehensive review of the irrigation system including:

- System pressure
- Controllers
- Site conditions and irrigation scheduling
- Issues that cause higher water use, such as valve malfunctions, high or low pressure, sprinkler misalignment, poor drainage, breaks and leaks, and runoff

Participants will receive a written report that includes:

- Data collected during the survey
- Recommendations for improving the site's irrigation efficiency including system repairs, equipment updates and irrigation scheduling
- Information about available financial incentives to help with the cost of recommended improvements
